My favorite video games are from the old floppy disc system software that was sold such a long time ago. Now, those games are being re-released as retro games for the Game Boy. They're so ridiculous that they're irresistible!

—Masashi Kishimoto, 2004

Author/artist Masashi Kishimoto was born in 1974 in rural Okayama Prefecture, Japan. After spending time in art college, he won the Hop Step Award for new manga artists with his manga **Karakuri** (Mechanism). Kishimoto decided to base his next story on traditional Japanese culture. His first version of **Naruto**, drawn in 1997, was a one-shot story about fox spirits; his final version, which debuted in **Weekly Shonen Jump** in 1999, quickly became the most popular ninja manga in Japan.

NARUTO

VOL. 25
BROTHERS

STORY AND ART BY
MASASHI KISHIMOTO

Naruto, the biggest troublemaker at the Ninja Academy in the Village of Konohagakure, finally became a ninja along with his classmates Sasuke and Sakura. During the Chūnin Exams, Orochimaru launched a surprise attack, *Operation Destroy Konoha*, during which the Third Hokage sacrificed his own life to save the village.

Tsunade becomes the Fifth Hokage as a confused Sasuke leaves Konohagakure with the Sound Ninja Four. Shikamaru and his team pursue Sasuke and end up facing-off against the Sound Four, only to be saved by Gaara. Now, Naruto has finally caught up to the renegade Sasuke...
